Black Ice Software - March 15, 2017

Printer Driver 14.83 with a redesigned Printer Manager is here!

Try the completely redesigned Printer Manager with new features for Administrators!

Black Ice Software has released the Printer Driver version 14.83. This version comes with a **new modern Printer Manager with a user-friendly interface** to enhance the user's experience!

The new Printer Manager also includes **new features for Administrators** to deny or permit access to specific Printer Manager tabs for All Users on the computer. This new feature is beneficial to Administrators that need to restrict Printer Manager settings and features for their users.
