## Try Printer Driver 14.85 with a new MSI Installer for large scale deployment!

### The New InstallShield based MSI installer is perfect for secure environments without .NET framework!

The latest ColorPlus, PDF and TIFF/Monochrome Printer Driver is now available in the form of a **InstallShield MSI installer**. The new InstallShield MSI installer **does not require .NET framework** to be installed on the computers, bypassing the security vulnerabilities of the .NET framework.

The new InstallShield MSI installer is the **perfect solution for secure environments** greatly simplifying large scale deployment and allowing pre-configuration of the Printer Driver for the users.
