

New Innovative Way to Merge Documents!

MERGING DOCUMENTS HAS NEVER BEEN THIS EASY!

10% discount for PDF Printer Driver*
Coupon code: **gEMArt6**
Valid through June 30th 2017

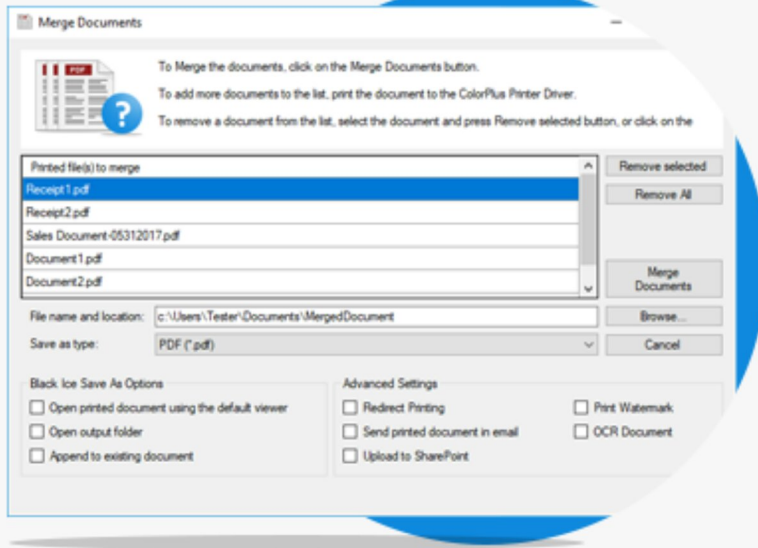

Download Printer Driver Now!

The latest Printer Driver version 14.90 comes with a **new innovative way to merge multiple documents** into a multipage PDF or TIFF file. The new Merging feature allows users to easily manage every aspect of the merging on the new user-friendly Merge Documents window!

The new Merge Documents window will list the printed documents and allows the user to specify the files that need to be merged. Users can also specify the output directory, filename, and several advanced settings such as, OCR, Email Sending and Redirect Printing.

By using the new Merge Documents Windows, users can control every aspect of the merging, including what recently printed documents needs to be merged, resulting in a more flexible and user-friendly solution.

NEW WINDOW TO MERGE DOCUMENTS

The latest Printer Driver with the new Merge feature can be downloaded from [our website](#). Upgrade and take advantage of the new Merge features now!

Free Upgrades and Priority Support

Do not forget to subscribe to future releases by purchasing maintenance. With an active maintenance subscription, you will receive all new releases for free! Priority email technical support is also included in your subscription. For more information, call us at **+1 (561)-757-4107 Extension 3**, or sales@blackice.com.

As a special offer, if your maintenance subscription has expired or you did not include the maintenance subscription in your original purchase, simply refer to this newsletter to renew or add maintenance retroactively!

*Only valid for new purchases, no upgrades or add-ons. This offer cannot be combined with any other discounts.
